

Replacement pump GTF 1200 resistant, without float switch

Article information

Item no.: 680952 GTIN: 4026092093795 Price group: 90

Description

Replacement pump resistant to salty media, wastewater from water softening systems and wastewater containing condensate from heating systems.

Pumping device:

Max. pumping capacity:15.5 m3/hMax. pumping height:9 mOperating voltage:230 VMains frequency:50 Hz	GTF 1200
Operating voltage:230 VMains frequency:50 Hz	apacity: 15.5 m3/h
Mains frequency: 50 Hz	eight: 9 m
	ge: 230 V
	y: 50 Hz
Operating mode: S1	e: S1
Power P1: 1.27 kW	1.27 kW
Power P2: 0.73 kW	0.73 kW
Max. temperature (permanent) of conveyed 35 °C	ire (permanent) of conveyed 35 °C
material:	
Weight: 10 kg	10 kg
Length of mains cable for pump: 10 m	s cable for pump: 10 m
Rated current: 5.6 A	5.6 A
Protection class (pump): IP 68	s (pump): IP 68
Protection class:	s: I
