

# Grease separat. EasyClean Modular free, NS 4, round, Direct disposal

### Article information

Item no.: 93004.00/D1-R GTIN: Price group: 60

### **Advantages**

- Ideal where access is tight
- can be divided into 3 parts for insertion, for an insertion opening of max. 66 cm
- Direct disposal with the tank closed

### **Description**

The separator for greasy wastewater is suitable for free-standing set-up in frostprotected rooms and comes without metallic components in the tank. Thanks to the modular design, the separator can be inserted even where access is extremely tight. The collecting tank made of permanently resistant polymer (PE) is equipped with an integrated sludge trap. A service access cover with odour-tight cover and quick-release closures makes easy access possible for cleaning and maintenance work.

A direct disposal pipe socket is available for odour-reduced manual disposal.

20 year polyethylene warranty. Installation situation:

free-standing set-up

#### Version:

Type of disposal: Disposal system: Disposal variant: Nominal size (NS):

Delivery state:

Scope of delivery:

manual Disposal connection Direct 4

Installation-ready (connection parts must be connected on site) Storz-B coupling R 2 1/2" for disposal vehicle connection

#### General characteristics:

Material: Standard:

### Dimensions:

l
l
