

## Accessories

*Ecoguss and Practicus*

System 125

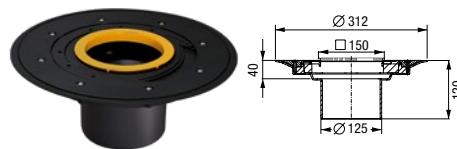

Flanges			Dimensions in mm	Art. no.
<b>Clip flange</b>	<p><b>Compatibility:</b> For combination with drain bodies and extension sections; for floor drain <i>Ecoguss</i> and <i>Practicus</i></p> <p><b>Inclusive:</b> Factory-mounted waterproofing membrane in accordance with EN 1253-1 and DIN 18534-1-W3-1</p>			280×280 44 703
<b>Glue flange with counter flange</b>	<p><b>Compatibility:</b> For combination with drain bodies and extension sections; also for compound seal; for floor drain <i>Ecoguss</i> and <i>Practicus</i></p> <p><b>Material:</b> ABS</p>			Ø 348 48 410
<b>without connection flange</b>	<p><b>Compatibility:</b> For combination with drain bodies and extension sections; for floor drain <i>Ecoguss</i> and <i>Practicus</i></p> <p><b>Material:</b> ABS</p>			Ø 268 48 409
<b>Pressure sealing flange</b>	<p><b>Compatibility:</b> For combination with drain bodies and extension sections; for floor drain <i>Ecoguss</i> and <i>Practicus</i></p> <p><b>Material:</b> Stainless steel AISI 304</p> <p><b>Inclusive:</b> Seeping water opening</p>			Ø 273 48 407

## Waterproofing membranes

		Art. no.
<b>Waterproofing membrane</b>	<b>Compatibility:</b> Art. no. 48 410	48 651
<b>2 component adhesive</b>	<b>Compatibility:</b> For gluing of KESSEL waterproofing membranes	48 650
<b>Elastomer waterproofing membrane</b>	<b>Compatibility:</b> Art. no. 48 407 <b>Material:</b> NBR	48 981

## Intermediate section

		Art. no.
<b>with glue flange</b>	<p><b>Compatibility:</b> Shallow bed gasket</p> <p><b>Inclusive:</b> With non-mounted waterproofing membrane according to EN 1253-1 and DIN 18534-1-W3-1</p>	48 900

## Extension sections

		Art. no.
<b>without lateral inlet</b>	<p><b>Compatibility:</b> For floor drain <i>Ecoguss</i> and <i>Practicus</i></p> <p><b>Material:</b> PP</p> <p><b>Inclusive:</b> Lip seal</p>	48 987
<b>with lateral inlet Ø 50</b>	<p><b>Compatibility:</b> For floor drain <i>Ecoguss</i> and <i>Practicus</i></p> <p><b>Material:</b> PP</p> <p><b>Inclusive:</b> Lip seal</p>	48 989
