

System 400

Slotted cover in polymer

Class: A (1.5 to.)
Art. no. 850 134

Slotted cover in cast iron

Class: B (12.5 to.)
Art. no. 850 135

Slotted cover in cast iron

Class: D (40 to.)
Compatibility: Art. no. 850 121
Art. no. 850 137

Class D

Continuously height adjustable, with clamping ring
Art. no. 850 121

Sludge trap

Material: Polymer
Art. no. 850 115

Profiled gasket 450

Art. no. 850 113

Profiled gasket 360

Art. no. 850 112

Hole saw

for drilling lateral surfaces for inlets and outlets \varnothing 50, 75, 110, 125 and 160
(Saw blade holder \varnothing = 190 mm)
Art. no. 50 100

Gaskets for pipe conduits

\varnothing 50 mm Art. no. 850 114
 \varnothing 75 mm Art. no. 850 116
 \varnothing 110 mm Art. no. 850 117
 \varnothing 125 mm Art. no. 850 118
 \varnothing 160 mm Art. no. 850 119

Lifting mechanism

For removing odour trap
Art. no. 850 143

Closed base in polyethylene

with outlet

\varnothing 110 mm Art. no. 850 009
 \varnothing 160 mm Art. no. 850 010
